Our Gratitude for a Job Well Done!

One of the biggest benefits to living in a small community is the ability to jump in and make a difference. While it's not difficult to find new and worthy opportunities, the work itself is never easy. It takes time. It takes dedication. It takes a willingness to make big decisions with great intention. **It takes a special person. These people are just that. Our gratitude goes out to the four departing 2019 RCCF board members.**
