## Rush County Community Foundation

*live. live. local.*

October 2022

Change is in the air, can't you feel it, friends?! The trees are teaching us an important lesson. It's ok to let go and make time for reflection, adaptation and eventually new growth. And it's cozy sweater and warm beverages weather. When you're traveling what do you look for first in a new town? The coffee shop, of course. Did you know our very own café, [Mocha Moose](#), in downtown Rushville is serving as our county's new welcome center?! Visitors can find local info, including a QR code that takes them to the brand new [visitrushcounty.com](http://visitrushcounty.com)! This is just one result of the work done by our people-powered force for good, Community Based Action Planning (CBAP). [Be sure to read about the other completed projects and works still in progress](#). Happy Fall!

This photo is so hard to look at. But we promise if you read on, there's a happy ending and you won't believe his transformation.
