August 2023

It's finally happening, friends! **After almost three years of waiting, we are thrilled to share that the groundbreaking of the REC Center will take place on 9/7/2023.** Through this transformative opportunity, we will soon have a place to gather, learn, play, and grow together. The contractors are lined up. The "i's" have been dotted. The "t's" have been crossed. Construction costs are even slightly lower than anticipated. **This is more than just a building, it's a symbol of our dreams and hopes for the future.** Let's do this, Rush County!!

We are so grateful for your patience and support throughout this long process. Look for more details soon. In the meantime, here's what we all have to look forward to:

August is Make-A-Will Month

You might think it's too expensive or complicated. **Did you know that there's a [FREE online tool that will create your will in under 20 minutes](#)? Will you consider joining the amazing people, like [Barbara](#) and the [Malsons](#), who have supported RCCF by including legacy gifts in their plans? You can leave a %, specific amount or remainder of your estate to both care for your loved ones and support Rush County forever.

CBAP Update: Parks Programming

When CBAP projects started, the City of Rushville Parks Department had little in the way of programming. That changed when Kathi Jackley was hired in the Spring of 2022. Since then, she has brought programs as diverse as tot time, yoga, gardening, and flint knapping to the community.

She requested a \$10,000 CBAP grant, made possible by your donations to the Rush to Action Fund. How did the money make a difference?
