

February 2024

Can you feel it, Lisa? Love is in the air! The signs are everywhere. We're not just talking about Valentine's Day. Love of all kinds is flowing around Rush County. You can see it in the investments being made in downtown businesses. In the care that nonprofits give our community. In a new business selling out their goods early on opening day. In the transformation of a blighted building into a decades-old dream. **And in your support creating grants to improve lives.** We ♥ you, Rush County!

Another important way to show your love is to take surveys that apply to you. If you haven't yet, **please take a few minutes to complete this survey from the County by 2/11.** It will help inform their **new comprehensive plan**. If

you have young children or are an employer, check the links below to give your feedback on childcare. **Love is having your voice matter.**
