

Rush County Community Foundation

live. live. local.

March 2024

So many people have no idea what it's like to live in a small community. Too bad for them! Of course, we have our challenges and disagreements. But the ties that bind us together are so much stronger.

There is an unmatched generosity of spirit in Rush County. Even Governor Holcomb has noticed. To think that a party started by three friends to celebrate their Irish heritage has gifted nearly \$250,000 to local charities is amazing. Part of this year's proceeds from the St. Patrick's Day celebration will benefit the Ebert H. and Bessie M. Schroeder Fund for the REC Center's sustainability.

We've suffered too many heartbreaking losses this year. Of course, we've stepped up to support one another. In just over three months, you've donated more than \$10,000 to RCCF funds in memory of loved ones. **Never underestimate the power of kindness. It's what makes this such a special place, along with people like you, Lisa.**
