*live. live. local.*

April 2024

If April showers bring May flowers, then we're in for a bumper crop with this rain that just won't stop!

We've all heard the saying, "it's better to give than to receive," right? Research backs that up. [A recent Forbes Magazine article](#) claims, "The social connection tied to giving--whether to a person in need in your community or an organization close to your heart--gives the giver the greatest psychological benefit and boost of happiness. Want to be happier, Lisa? Consider giving to others. Whether it's your kindness, time, or money, you'll nurture their growth and watch your own happiness bloom.

However, a significant portion will also endow [Dolly Parton's Imagination Library](#) in Rush County. This gift serves as a fitting tribute to [Wilma Jo Kile](#), Christie's late mother and Rush County educational and civic leader.
